

COMMUNITY REINVESTMENT ACT STATEMENT
OF
THE BANK OF LANDISBURG
REVISED/BOARD APPROVED 2/09/2023

The Community Reinvestment Act of 1977, title VII of the Housing and Community Development Act of 1977, which is implemented by 12 C.F.R. 228 by the Board of Governors of the Federal Reserve System, encouraged insured financial institutions to meet the credit needs of their respective communities. The act provided that the Federal Reserve Bank of Philadelphia will assess the records of insured financial institutions under their regulatory review, to determine whether the institution is meeting the credit needs of the community which it serves, including those of low and moderate income neighborhoods, consistent with the safe and sound operation of the Bank.

The Board of Directors of The Bank of Landisburg, recognizing the Bank's obligation to serve the credit needs of our community, and in compliance with the Community Reinvestment Act, has developed this statement. This statement will address four specific areas.

- C. A copy of the Community Reinvestment Act Notice as prescribed in the regulations.
